MEIJER SECOND QUARTER ENDS ON JUNE 19

Part-time members at Meijer who have averaged more than 36 hours per week for two consecutive quarters can claim their full-time job by contacting the Store Director in writing at the end of the second quarter which is June 19, 2021. For hours to count toward claiming a full-time job, they must have been worked in one department, classification and in any single unit. Only hours actually worked along with hours paid for full vacation weeks, jury duty, bereavement leave, holidays and paid parental leave can be used to meet the 36-hour average requirement. Hours worked in replacement of an employee on Workers' Compensation, disability leave or other approved leave, or hours on the posted schedule that are worked in replacement of another employee, cannot be used to claim a full-time job.

If you have met the 36-hour average requirement and management fails to award you a full-time job, contact your union steward or union representative at 1.800.999.0951 to file a grievance.

2021 MEIJER WAGE SCHEDULES ARE SET TO TAKE EFFECT ON JUNE 20

On June 20, members at Meijer will move into the 2021 wage scales. The transition to the new wage schedules will impact members differently depending upon their wage rate and Pre-Scheduled Rate Change (PRC) hours. Some members may receive a wage increase when the new wage scales take effect.

Members who are at the top rate of their current wage schedule and have met their PRC requirement for a wage increase will move to the next higher rate for their job classification and their PRC hours will be reset to zero. If the member's current rate does not exist in the new wage schedule, they will move to the next higher rate in the new wage schedule and their hours will be reset to zero, unless otherwise indicated.

Members who are not at the top rate of their wage schedule and whose current rate exists in the June 20, 2021, wage schedule will remain at their current rate until they accumulate the required amount of PRC hours and will not have their hours reset until reaching the next higher rate in that classification. Wage schedules for auditors at the Distribution Centers transitioned in April.

If you have questions about the wage scales, or if you do not receive a wage increase that you are eligible for, contact your union representative at 1.800.999.0951.
