C.A.R.E.S. GRANT PROGRAM EXTENDED THROUGH AUGUST

The UFCW 951 Coronavirus Assistance, Relief & Emergency Support (C.A.R.E.S.) Grant program has been extended through the end of August to continue to assist members who are struggling amid the ongoing pandemic. Each month, up to 100 eligible members will receive a one-time check for \$250 to assist them with pandemic-related hardships. (The C.A.R.E.S. Grant is **not** a recurring monthly disbursement, and each member is only eligible to receive a C.A.R.E.S. Grant once.)

To be eligible to receive a C.A.R.E.S. Grant, applicants must be members in good standing for at least 90 days and demonstrate a genuine need for financial assistance which was caused by the pandemic. Situations which may qualify for a C.A.R.E.S. Grant include, but are not limited to, if someone in the member's household tested positive for COVID-19, the member has lost someone in their household or immediate family to COVID-19, or the member's household has experienced a reduction in income caused by the pandemic which has resulted in the household being unable to cover necessary living expenses.

To apply for a UFCW 951 C.A.R.E.S. Grant, visit ufcw951.org/News. If you do not have access to the internet, union staff can help you apply for the grant by calling the office at 1.800.999.0951.
