

The UFCW 951 Foundation has been helping ease the cost of attending college for its members since 2002. In addition to the fifteen \$2,000 College Scholarships awarded in June, the Education scholarship will again be available to members and their families looking to enhance their education in 2024.

The UFCW 951 Foundation will select five Education Reimbursement winners in January, April, July and October. The \$500 quarterly reimbursements will be awarded directly to the recipients for qualifying educational expenses paid in 2024.

Fees incurred to attend college, a trade school, take language courses, or get your GED all qualify. Eligible expenses include course fees, room and board, parking, testing fees, books and other education related expenses. Reimbursement recipients will not be disqualified/found ineligible due to a medical or military leave of absence.

**This application is for the \$500 quarterly Education Reimbursement only.** Members should see their union representative or visit [ufcw951.org](http://ufcw951.org) for the \$2,000 College Scholarship application.
