

The UFCW 951 Foundation helps working families every day through various scholarship programs and fundraisers. Working families face unique financial challenges, and UFCW 951 is dedicated to establishing programs that address the needs of all members. This year, the Foundation has expanded its scholarship programs to include reimbursement awards for qualifying housing expenses.

The UFCW 951 Foundation Housing Expense Reimbursement Program will award \$20,000 in 2024 to financially assist members with essential living expenses.

Winners from this program will receive a \$500 award to reimburse them for qualifying housing expenses they have paid in 2024. Ten winners will be selected quarterly during January, April, July and October.
